

THE REDZONE COMMUNITY AWARDS DINNER 2017

**MARK SUTCLIFFE, CEO OF REDZONE,
INVITES YOU TO ATTEND OUR ANNUAL AWARDS DINNER AND BE PART OF
'THE PRODUCTIVITY MIRACLE'**

It's that exciting time of year again as we plan ahead to celebrate the great successes of all our Community and their plant teams. I would therefore like to invite you to join us in Las Vegas for our 3rd annual Community Awards Dinner.

Continuous Improvement never stops and nor does our desire to help our community achieve more. So the theme for this year's event is 'The Productivity Miracle'. As demonstrated with last year's winners of our Productivity Awards, 20% uplifts in productivity aren't just possible, they are 'probable' if you can follow through on the Redzone 'formula' for improvement; and we were delighted to induct 20 different companies into the 20% productivity club at last year's event. Our goal is to help everyone in our Community achieve this 20%+ productivity improvement; which we know is a game changer in terms of capacity and profitability. The research continues and at this year's event we will share the unfolding story of our research project and pinpoint the trends and behaviors that enable the 'high achievers' within the community to achieve these miraculous results.

As always the evening is a chance for everyone to come together; learn, inspire others, understand our direction, have fun and recognize your achievements.

So join us in Las Vegas to celebrate your successes and results!
