# REDZONE CALIFORNIA COMMUNITY EVENT

**MARCH 6th**

Lyons Magnus - Fresno, CA

## Come see how Lyons Magnus achieved a **34%** productivity uplift

We are facilitating regional events across the country to bring our customers together. The goal is to provide a forum to share ideas on your use of Redzone and pool knowledge as you pursue your productivity & food safety improvements. These events are designed to be informal but informative and are allowing our customers to build out their networks they can then lean on for ideas and inspiration.
