

INVITATION

THE REDZONE COMMUNITY AWARDS DINNER 2018

REDZONE INVITE YOU TO ATTEND OUR 2018 ANNUAL COMMUNITY AWARDS DINNER

2017 was a record year for Redzone. Over 100 new mid-sized Food, Beverage & CPG plants joined the community and new levels of productivity improvement were witnessed over the last 12 months. We therefore have much to celebrate and welcome you and your teams to hear about these achievements at our 2018 Community Awards Dinner, in conjunction with Pack Expo, Chicago. Given the size of the community now, we have changed the format of the dinner slightly by cutting the formal speeches in favor of allowing more time to celebrate your achievements in the awards presentation itself. This new format will also allow for greater opportunities to meet with other members of the community in your particular region. So come along and enjoy a spectacular awards evening; with great food, great wine and, of course, great company!

- Nominate your own teams and champions for awards - we can't wait to hear your stories!
- Join our free regional 'Community Roundtable Sessions' at Pack Expo (get to know your neighbors)
- Participate in our panel discussions and hear what other plants are achieving and how they do it
- Learn from the winners and celebrate your team's successes

Building on three years of research we are better equipped than ever before to help you take the next productivity 'leap' and we will provide an insight into how you can continue your Production System journey with Redzone and the results of those community members that have applied these methods over the last 12 months. We will also reveal more about our future plans; as well as providing a sneak preview of the maintenance capabilities coming in 2019.

The Awards Dinner is the focal point of our annual community events and we hope it can inspire you and your teams onto even greater success in the years ahead. So, start nominating your teams and we look forward to seeing you in Chicago on October 15th. Remember...dinner is on us as our thanks for your contribution to the community.

THE LOEWS HOTEL - CHICAGO

WHAT YOU'LL SEE AT THIS YEAR'S EVENT

REGIONAL COMMUNITY ROUNDTABLE SESSIONS @ PACK EXPO

Monday Oct 15th - We know how important it is for you to meet and build relationships with other like-minded companies from your local area. So this year we will host separate sessions on the topics that are most important to your region; whether that is the challenge of rising minimum wages in California, of attracting and retaining workers in the Mid-West or dealing with the maintenance skills gap in the North East.

INTERACTIVE PANEL DISCUSSIONS

Tuesday am: Workforce Learning & Development. Facilitated panel of Redzone customers.

Learn from a subset of customers who have continued to build out their Production System to make further leaps in performance. Hear how they evolved the skills of their workforce and the results they achieved.

Tuesday pm: Food Safety & Quality Assurance Panel - Ask the Auditor!

Bring your questions to our panel of FSQA experts, including a GFSI auditor, to find out how community members are applying Redzone's Compliance to strengthen their food safety programs, add value to their end customers and also hear of some innovative ways of applying checks and audits to solve other manufacturing problems.

Participate in both these discussions and bring along your questions.

WHAT'S NEW AT REDZONE

A preview of the new 2019 capabilities, including Maintenance.

We understand the important role the Maintenance team plays in having a reliable plant that can quickly respond to issues. This exciting development enhances your ability to do that and provides the tools for your maintenance teams to participate, like never before, in the improvement process.

ASK THE COACH

As always, all our Coaches will be reaching out to you to set up a mini success assessment on the booth. They will look at both the trends in your data and the opportunities to keep the productivity needle moving in the right direction.

PACK EXPO

Come and see us on our booth with a dedicated area for our Community members to mingle with one another, spend time with our coaching team and see the next generation of Redzone product capabilities. It's a great opportunity to meet and discuss any issue, at any level.

COME & VISIT OUR BOOTH TO:

- Sign up for 'Ask the Coach' clinics
- Get hands on time with Redzone's capabilities at our iPad bar
- Sign up for our customer panel discussions
- See the confidential advanced preview of 2019 Redzone product capabilities
- Connect with other Redzone community members

AWARDS 2018

The Redzone Coaching Team are looking out for worthy nominees as we speak; but this year we are also opening up the nomination process to YOU! As you know your plant better than anyone else; we are asking you to self-nominate your very own people who you feel deserve to win two of the awards - 'Team' and 'Champion' of the Year. Go to the links on the invitation e-mail or on the website to nominate. Closing date for customer nominations is July 30th.

AWARD CATEGORIES

PRODUCTIVITY GAINED & SUSTAINED

90 DAY PRODUCTIVITY

REDZONE 'TEAM OF THE YEAR'

REDZONE 'CHAMPION OF THE YEAR'

REDZONE PLANT OF THE YEAR

Come and cheer on your team and celebrate the wins.

So come and join us for a fun evening at The Loews Hotel, Chicago; with great food, great wine and great company. Dinner and drinks are on us as our thanks for your contribution to the Community.
